Knitting pattern

Bunny Bookmark Pattern

by Jana Ludwig

Level of difficulty

Beginners: purl and knit stitch, decreases

Material

- Yarn: Drops Muskat in your favourite colour (less than 50g)
- Needles: 4,0 mm
- Sewing needle
- Scissors

The Bunny Bookmark will become 34 cm long.

Abbreviation

- DEC: 2 stitches together with knit stitch (means decreasing one stitch)
- K: knit stitch
- P: purl stitch
- [...] *x: repeat this part x-times

Hint: We knit the bookmark bottom up. The head is the last part. The ears will be knit and sew separately.

Bookmark Ribbon

We knit the bookmark ribbon bottom up.

1) Slings 10 stitches

We are knitting the pearl pattern:

2) [1 K, 1 P] *5, turn your work

3) [1 P, 1 K] *5, turn your work

Repeat row 2 and 3 until a length of 23 cm.

Then we will start immediately with the head.

Bunny head

We will work the head with knit stitches.

4) [K] *10, turn your work

5) [P] *10, turn your work

Repeat row 4 and 5 until a height of 10 cm.

Finish your work with loose stitches.

Then fold the head-part halfway and sew the borders together. Just before you complete the head, fill some wool or cotton into the head.

Bunny ears (*2)

We will knit the ears bottom up.

- 1) Sliding 10 stitches
- 2) [K] *10, turn your work
- 3) [P] *10, turn your work

Repeat row 2 and 3 until a height of 4 cm.

- 4) [DEC] *5, turn your work
- 5) [P] *5, turn your work
- 6) [DEC] *2, 1 K
- 7) Finish your work with loose stitches and sew all threads.

A slight curvature appears due to the knit stitch. That's perfect ;)

Sew the ears on the top of the head.

Finishing your Bunny Bookmark

Sew the face of the bunny as last step.

I can't knit, but I crochet!

The crochet pattern for this Bunny Bookmark is available on Susi's Blog:
